RELEASE OF LIABILITY, ASSUMPTION OF RISK & INDEMNIFICATION AGREEMENT

In consideration of the services of Stingray H2O Rentals, its agents, owners, officers, volunteers, participants, sister or subsidiary corporations, employees, sales agents, subcontractors and all other persons or entities acting in any capacity on their behalf (hereinafter collectively "Stingray H2O Rentals.") I hereby agree that I, being at least 18 years old, accept these terms and conditions on behalf of myself and, if applicable as a result of my purchase of rental equipment, on behalf of all minors in my care, custody or control (hereinafter referred to as "Minors") and/or other adult; for myself, my successors, next of kin, heirs, assigns, estate, executors, and administrators as follows:

1. Inherent Risks: I acknowledge that there are inherent risks in an activity such as kayaking, stand-up paddleboarding, hydrobiking, boating, tubing, boat chartering and related activities (hereinafter collectively the Activity/Activities). These risks, both known and unanticipated, could result in physical or emotional injury, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

I acknowledge I fully understand that failing to use or properly use safety equipment increases my risk of injury or death while kayaking, stand-up paddleboarding, hydrobiking, boating, tubing, boat chartering and related activities. The inherent risks associated with the activity in which I am about to participate include, but are not limited to: vessel collisions; capsizes; equipment failure; drowning or other causes of death; contact with submerged or surface hazards; encountering tidal currents and unpredictable Delta water conditions; lightning; dangerous weather events; temperature; open water crossings; natural hazards; lack of hydration; other watercraft (motorized or non-motorized); encountering dangerous or aggressive wildlife or insects; strains; falls; fractures; concussions; accidents involving other participants or staff, total or partial paralysis.

I acknowledge it is possible that I could be injured if I come in contact with kayaks, paddleboards, paddles, boats, or other equipment necessary to the operation of the activity; the kayaking, stand-up paddleboarding, hydrobiking, boating, tubing, boat charter may break down; it is possible that loss of control of the kayak, paddleboard, hydrobike, boat, boat charter, or tube could occur resulting in collision or capsizing or sinking causing me to enter the water; while in the water I may become disoriented, panicked and/or experience trauma; I can slip or fall getting to and from the kayak, paddleboard, hydrobike, boat, boat charter, or tube. Accidents can occur getting into and out of the kayak, paddleboard, hydrobike, boat, boat charter, or tube; exposure to the natural elements could cause sunburn, dehydration, or heat related illness; I understand that prolonged exposure to cold water can result in "cold water immersion" syndrome or "cold shock," hypothermia and in extreme cases death; communication on the water in which this activity occurs is sometimes difficult and in the event of an accident, rescue and medical treatment may not be immediately available.

I acknowledge it is possible that I could contract an illness or disease from food-borne, airborne, water-borne or surface pathogens including but not limited to COVID-19 and subsequent mutations and strains, which, while they seem open and obvious, also have inherent risks associated with them. Pathogens could be transmitted from other participants, third-parties, **Stingray H2O** staff, or unknown sources. Such exposure or infection may result in personal injury, illness, permanent disability, and death. I agree that if I have a fever, cough, feel short of breath, have any other symptoms, have knowingly been exposed to a communicable disease such as COVID-19 or have traveled to or from a highly impacted area, I will not participate in an activity for at least two weeks after exposure or symptoms have subsided or I have returned from a highly impacted area.

I acknowledge that I AM ULTIMATELY RESPONSIBLE for my own safety during my participation in **Stingray H2O** events/activities and I assume the risks and hazards associated with the event/activities whether known or unknown.

2. EXPRESS ASSUMPTION OF ALL INHERENT RISKS: As lawful consideration for being allowed to participate in activities offered by H2O Excursions, I expressly agree and promise on behalf of myself and any of the children for which I am responsible, to accept and assume all the risks existing in this activity. My/our participation in this activity is purely voluntary, and I/we elect to participate in spite of the risks. I/we expressly agree and acknowledge that the terms and conditions of this Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement are contractual in nature and that I/we are signing it of our own free will.

3. RELEASE OF LIABILITY. I specifically understand that I AM RELEASING, DISCHARGING AND WAIVING ANY AND ALL CLAIMS OR ACTION that I may have presently or in the future for the acts or other conduct, whether or not negligent, by **Stingray H2O**, **River Point Land**, jointly and severally, its agents, owners, officers, volunteers, participants, sister or subsidiary corporations, employees, sales agents, subcontractors and all other persons or entities acting in any capacity on their behalf (the "Released Parties"), by me, or any other third party or person.

I agree to forever release, exempt and relieve the Released Parties from any and all liability, causes of action, claims and demands that may arise in any way from any injury, death, loss, damage, or harm that may occur to me or to any other person or to any property regardless of any negligence on the Released Parties' part, except to the extent of any of the Released Parties' gross negligence, intentional or reckless misconduct or any other liabilities not permitted to be contractually excluded under California law.

I Assume any and all risks of personal injuries to myself, including medical or hospital bills, permanent or partial disability, death, and damage to my property, caused by or arising from my participation in the Activity;

I agree to DEFEND, INDEMNIFY AND HOLD Released Parties HARMLESS from and against any and all claims, including claims for their or my negligence, as well as for any and all costs, claims, expenses or liabilities arising from my participation or conduct before, during or after, including but not limited to attorneys' fees and court costs. I agree not to sue or make a claim against the Released Parties for death, injuries, loss, or harm that may occur before, during, or after my participation in the Activity.

4. Duty to Follow Rules and Pay for Damages. I agree to abide by all the rules and follow the guidelines that **Stingray H2O** staff provided to me during the safety talk and I agree to listen carefully to the **Stingray H2O** staff and follow their instructions during the activity, whether or not we are on land or on water, or in or out of the equipment.

I Agree to wear my personal flotation device at all times while participating in the Activity and understand that although I may be wearing my personal flotation device, a personal flotation device cannot guarantee the safety of participants. I agree that while on a charter or renting a boat, children under the age of 13 must wear a personal floatation device at all times.
